PUBLIC ANNOUNCEMENT

Winter Training & Internship 2026-27

India Space Academy is pleased to announce the **Winter Training & Internship 2026-27**, a premier educational initiative aimed at equipping students with advanced knowledge in **Remote Sensing & GIS**. This online program is designed to provide both theoretical understanding and practical exposure under the expert guidance of scientists/faculties from ISA/IITs/ISRO/DRDO.

The program will be delivered in two batches and in two phases to ensure a comprehensive transition from theory to application:

Batch	Category	Details
Batch 1	Phase 1: Training Sessions	23 Nov 2026 – 09 Dec 2026
	Phase 2: Project work	10 Dec 2026 – 06 Jan 2027
Batch 2	Phase 1: Training Sessions	27 Jan 2027 – 12 Feb 2027
	Phase 2: Project work	13 Feb 2027 – 13 Mar 2027

Participants who complete and submit the project will receive an **Internship Completion Letter (indicating a 45-day duration)**, while those who do not undertake the project will receive a **Training Certificate (indicating a 15-day duration)**.

Training Subjects:

- Remote Sensing and GIS: From Satellite Data to Machine Learning

Eligibility & Requirements:

- Open to Undergraduate (UG), Postgraduate (PG), and PhD students who are currently pursuing or have completed their degrees.
- Research scholars/Faculties/Lecturers interested in these domains are also encouraged to apply.
- Participants **must have a laptop/computer and a stable internet** connection to attend **online sessions and complete project work**.

Training Conduct:

- The training will be conducted in **online mode** via the Zoom platform.
- The training duration will be **120 min**.
- A **WhatsApp announcement group** will be created for official updates.
- Each participant will get access to the **LMS portal** to view personal details, session link, session recordings, and learning resources.
- The training schedule will be shared in due course.
- The trainees/project interns shall not be eligible for any stipend/remuneration/financial assistance.

Fee Structure:

- **Training Fee: ₹1,750/-**
- The fee includes expert-led sessions, project mentorship, administrative processing, LMS access, and project evaluation.
- The training fee is **non-refundable**.

Internship Opportunity:

Participants who undertake a project under the India Space Academy and successfully submit their report will have their training upgraded to an internship. They will receive an **Internship Completion Letter** along with the **Training Certificate**.

- The internship will be conducted **online**.
- **No stipend** will be provided.

Application Process:

- The application must be done online at the registration link given below.
- Admission is strictly on a **first-come, first-served basis**.
- Available Limited seats per batch are as follows:
- **Batch 1: 1140 seats**
- **Batch 2: 1250 seats**
- The registration portal will close once the capacity is reached.
- The program duration (training + internship) is **45 days (6 weeks)**.

Registration Details:

- **Registration Link:** www.isa.ac.in/internship
- **Registration Start Date (Batch 1 & 2):** 18th Sept 2026 (Friday)
- **Registration End Date (Batch 1):** 14th Nov 2026 (Saturday)
- **Registration End Date (Batch 2):** 20 Jan 2026 (Wednesday)
